

Polish Telemedicine and e-Health Society
Telemedicine and eHealth Conference 2019
November 22-23, 2019

Dear Telemedicine Specialists and Enthusiasts,

It is a great pleasure to invite you to the Telemedicine and eHealth 2019 conference!

Event will be held in Institute of Fundamental Technological Research, Polish Academy of Sciences, 5B Pawińskiego, Warsaw, Poland, on November 22-23, 2019. Conference is organized by the Polish Telemedicine and eHealth Society. Co-organizers are Polish National Contact Point for EU Research Programmes (KPK), Institute of Fundamental Technological Research Polish Academy of Sciences, International Accelerator Of Telemedicine Technologies and Center of Excellence “TeleOrto” for Telediagnosics and Treatment of Injuries and Disorders of the Locomotor System, Medical University of Warsaw.

We encourage participants to join and take part in this prestigious event to present own studies, research, proposals, trials, work, applications, and ideas, find new contacts, listen to impressive research results, and get familiar with upcoming solutions. We encourage you to present your own research results and attend the conference!
